

U.S. Small Business
Administration

In late February and early March 2021, the Biden-Harris Administration and SBA took steps to ensure inclusivity and equitable relief for America’s mom-and-pop businesses that anchor our neighborhoods and help families build wealth.

Where We Are

President Biden signed the [American Rescue Plan Act](#) into law on March 11, 2021, providing additional relief for hard-hit small businesses while building a bridge toward economic recovery, and on March 30, 2021, he signed the PPP Extension Act of 2021 into law.

The SBA is committed to administering the economic aid as quickly as possible and ensuring its equitable delivery to America’s small businesses and other eligible entities.

Best Practices

- 1. Provide complete documentation** - Applications with incomplete documentation will be rejected. The review process will restart when complete documentation is provided. Delays could jeopardize the Applicant receiving the award.
- 2. Leverage your resources** - While not required, the use of CPAs and other accounting professionals may help ensure a complete and well documented application.
- 3. Application corrections** - SBA is not able to make corrections on behalf of Applicants. Applicants who require corrections will need to contact the call center hotline at (844) 279-8898.
- 4. Applicants who still intend to apply for PPP** - RRF applicants are advised to complete their PPP application in advance of the RRF application
