Arrowhead Golf Club's par-70, 6,636-yard championship golf course was crafted by iconic designers Robert Trent Jones, Sr. and Robert Trent Jones, Jr. to blend seamlessly with its breathtaking natural setting in the foothills of the Rocky Mountains. Majestic red sandstone rock formations frame gently rolling hills and manicured emerald greens, with numerous elevation changes, unique bunkering, and striking water features creating both strategic diversity and a stunning backdrop for golf. You have the opportunity to enjoy this beautiful course while spending time with fellow restaurateurs and raise money for the CRA's Restaurant Advocacy Fund.
